INTEGRATIVE MEDICAL CLINIC SEEKING HEALTH PROFESSIONAL TO JOIN  
OUR TEAM!

Doctors' Choice Naturopathic is expanding! We are looking for dedicated healthcare practitioners who are passionate about integrative medicine. Our goal is to provide our patients with an integrated network of health services in order to best meet our patients' healthcare needs.

We are currently looking for a motivated, energetic, collaborative and qualified **Registered Midwife** who is looking to build their practice in the West End of downtown Vancouver.

Our clinic is located in a beautiful and peaceful heritage-style house mere steps from St. Paul's Hospital. Given our location and well-established patient base, we are the perfect location to support the growth of your practice.

If interested, please email [info@doctorschoicenaturopathic.com](mailto:info@doctorschoicenaturopathic.com) to arrange a time to meet with Dr. Martha Reid, ND.

In health and happiness,  
the Team at DCN.
