

The Midwives Collective

***How does a winter in
beautiful Victoria BC
sound? Locum Position
Available Feb 1-May 31
(dates flexible)***

The Midwives Collective is hiring a midwife locum to cover a leave from February 1, 2018 to May 31, 2019. These dates are flexible and there is a possibility of extension.

The Midwives Collective is a busy 5 midwife practice in the heart of downtown Victoria. We have excellent administrative support, and use Oscar EMR. You would work full time (4-5 due dates per month) in a shared-care model and with regular time off-call.

Our clinic offers bike storage and showers to make your commute easy, in addition we offer a parking spot.

We support one another with break relief and peer review, and are looking for a midwife who is hardworking, enthusiastic and fun.

Hospital privileges are at Victoria General Hospital, a tertiary care facility with 24-hour obstetrical services and a Level 3 NICU. We are a teaching practice and regularly have midwifery students.

Desired Qualifications:

- Preferably 1+ year clinical midwifery experience but will consider new graduates.

- Qualified to work in British Columbia
