

Maternity Care Westside is seeking:

- ❖ A **Locum MIDWIFE**, Qualified in BC.
- ❖ Flexible call and clinic schedule.

We are looking for a midwife locum for October 2018 (Monday Oct 1st until Sunday Oct 28th)

Full-time position, approximately 9-10 Call days/month and 5-6 clinics per month, 15 clear days off per month! Scheduling done well in advance, some flexibility with dates.

Maternity Care Westside (MCW) brings together Registered Midwives, Registered Nurses, Family Physicians, Doulas, Lactation Consultants & Childbirth Educators under one roof to provide supportive, informative and women-centered care for the childbearing year.

Midwives at MCW enjoy privileges at Kelowna General Hospital (KGH), which is now participating in the MORE Ob program. KGH is a level two hospital with Obstetric & Pediatric services within twenty minutes and nursery for babies with gestations thirty-two weeks & over. MCW providers have a long standing, well established consulting relationship with staff at KGH.

Kelowna has a lot to offer, a thriving arts community, easy access to outdoor activities in the winter, hiking, biking and skiing are all on your doorstep! Vineyards & lakes are also in abundance, this is the perfect community for work/life balance! The flexible call/clinic schedule allows you to take advantage as well.

We look forward to your unique contribution to our dynamic team!
