About Us:

New Beginnings Midwifery is a full-scope midwifery clinic located in the heart of Prince George, British Columbia. We serve not only the growing community of Prince George, but have a catchment area that includes many rural and remote communities in the beautiful Northern Interior. These communities include: Burns Lake, McBride, Mackenzie, Fort Saint James, Vanderhoof and Quesnel. Our client base includes families from a wide range of cultural and ethnic backgrounds.

We are home to a group of three: one solo midwife and two full-time midwives in a shared care model with a week on/week off call rotation, as well as one DONA certified Doula. We also enjoy wonderful administrative support and use OSCAR EMR. Visit us: <http://nbmidwifery.com/>

Responsibilities:

We are seeking a midwife with a minimum of one-year experience who will provide excellent care and be a leader in the growth of midwifery in Northern BC. The successful candidate will enjoy the prospect of being engaged in expanding midwifery care to the under-served North. We promote open dialogue among health care professionals and your input will play an integral role in the direction of our clinic and in midwifery in Northern BC as a whole.
